

Ranch Observations: Troubleshooting Problem Pastures Through Soil Biology

Ranch Tour & Workshop with Nicole Masters on the Taylor-Oswald Ranch

Thursday, July 23, 2021

Time: 8:30 AM MST

Taylor-Oswald Ranch

2241 Co Rd 1A

Cotopaxi, CO 81223

\$150/Person

Lunch included

Realizing Pasture Potential

- How soil tests/profiles inform management
- Understanding soil health and microbes
- What your weeds are telling you and how to utilize them
- Optimize water and carbon capture through biological management
- Nicole's toolbox: how to assess your land's biological health
